What Data We Collect

2.1. Data that a user enters into the website forms (e.g., "Submit a project"): name, email, phone number, company, project description, and other information voluntarily provided by the user.

Purposes of Processing

3.1. Reviewing project applications and providing feedback.

3.2. Conducting initial screening, arranging calls, and preparing proposals/terms.

3.3. Improving the website, analytics, security, and preventing misuse.

3.4. Sending informational messages (if subscriptions/newsletters are used, specify separately).

Legal Grounds

4.1. Processing is carried out based on the user's consent expressed by submitting the form.

4.2. In certain cases, processing may be necessary to fulfil a user request or to prepare for entering into an agreement.

Disclosure to Third Parties

5.1. The Operator may transfer data to service providers that support the website and communications (hosting, email, CRM, analytics), strictly to the extent necessary to achieve the processing purposes.

5.2. Personal data is not disclosed to an indefinite circle of persons and is not sold.

Cross-Border Transfer

6.1. When using cloud services and analytics, data may be processed on servers located outside the Republic of Kazakhstan. The user agrees to such processing by providing consent on the website.

Retention Periods

7.1. Application data is stored for the time necessary to review and communicate with the user, but no longer than 1 year, unless a different period is required by law or justified by business purposes.

7.2. The user may withdraw consent by sending a request to the contact email address.

Security Measures

8.1. The Operator applies organisational and technical security measures, including access restrictions, two-factor authentication (2FA), logging, backups, access controls, and encryption (where applicable).

User Rights

9.1. The user may request information about processing, update their data, and request deletion/termination of processing to the extent permitted by law.

9.2. Requests should be sent to the contact email address.

Cookies

10.1. The website uses cookies. The user may restrict cookies in their browser settings.

10.2. (If a cookie consent banner is used, specify it here.)

Changes to the Policy

11.1. The Operator may update this Policy. The current version is published on the website.
